“ *My condolences go out to Kelly and to the Family Hicks. I pray you find peace, comfort and strength in God in this time of grievance. Unfortunately I know all too well that there is nothing anyone can say or do to help you ease the pain right now. But in time you will be able to rejoice that the Lord loves your mom so much that He wanted her to suffer No More and decided to bring her home with him. Now she waits patiently watching over you in the presence of the Lord surrounded by all her loved ones until you meet again!! The Jimenez Family is praying for you!*

“ To my friend Gary and his family:  
I am very sorry for your loss. Words are never enough in such a horrible time as this. So please know that I am praying for your healing and peace with the comfort of knowing your mother is safe and resting in the arms of our Savior!! When my father passed away in '08 I found this song as comfort, by Jeremy Camp, here are some of the lyrics from it:

*\*\*But I hold on to this hope and the promise that He brings  
That there will be a place with no more suffering*

*There will be a day with no more tears, no more pain, and no more fears*

*There will be a day when the burdens of this place, will be no more,  
we'll see Jesus face to face*

*But until that day, we'll hold on to you always*

*I know the journey seems so long  
You feel your walking on your own  
But there has never been a step  
Where you've walked out all alone\*\**

*God bless you all,
