“ Mom,

I am going to miss you so much. It will very difficult not to reach for the phone to call you and tell you what good things have happened or what a rotten day I have had. You were always there to listen no matter what. I made a promise to you in the hospital and I will keep it, I promise you that. I love you, Mom, you are in Heaven now and you can take care of the animals that are with you there. They need you now
