“ *This guy here...has to be one of the most independent soles I've ever know. I'm a paramedic in Fulshear and I had the privilege of making his acquaintance several times and to try to get him to go to the hospital was near impossible. He probably passed with a sense of humor to rival anybody else's... Rest easy young man!! May God Bless..*

“ *I am so sorry for your loss and know Joe was loved by all who met him. I remember him, cousin to my daddy, Bill Childress...he was so nice and a kind man when we visited. Thinking of you as you remember his life and share memories of him; may that bless you.

“ *Knew Mr.Joe literally all my life. Fond memories of fishing trips to the pumping plant when he worked there. Always had on that big stetson and a smile to match. Was lucky to have him as our neighbor here in Fulshear for the last several years. Good man of honor and integrity. World needs more like him. He will be missed.*

“ Joe was my daddy (Willard) good friend. They went to a little one room school in Wealthy Tx. Growing up in the country during the depression days was a tough life. I had the privilage of listening to many of their childhood stories. Which consisted of not having much food, shoes and things. But both men never felt deprived. They both had a happy childhood. Loved to tell stories of swimming in the river, walking MILES to school and moonlight dances!
I miss these stoies, but mostly miss these two wonderful friends.

“ I don't know one time during all the many years that I've known Mr Crow, that I ever saw him without a big smile in his face. He was such a kind man and I know he will be greatly missed by family and friends. My condolences to you, Sandra and your family.
May God be with you during these difficult days.
