“ I was so terribly saddened after hearing of Mr. Joe's passing. My family and I have known Mr. Joe for a few years as members of St. Theresa's Church. He was a wonderful man whom we enjoyed immensely. I looked for him every week and my daughter and I always looked forward to his friendly peck on the cheek during "peace time" at mass. He was always so kind to all of us. We will miss him and his smile every week. My heart is truly broken it goes out to his entire family. May GOD bless you always. Eternal rest grant unto him and the perpetual light shine upon him. Rest in peace Mr. Joe.

“ To the Payne Family, I am so sorry for your loss. Joe was a wonderful man. Joe was my neighbor. I first met Joe when my dog Buddy got out of my gate and he was the first person that helped me look for him. He drove me all over the neighborhood along with my daughter and we looked for days. All the kids in the neighborhood loved Joe and his dog Liza. We will surely miss him in the neighborhood. God Bless you Joe, you are now resting and in the arms of GOD.

“ *My sincere condolences to the Payne family at this very sad and difficult time.*

My son, Zane, and I will always have so many great memories of Joe. He was a wonderful neighbor --always so upbeat and fun. He was always eager to lend a hand.

All of the kids just loved him. He would chase them around the neighborhood and if he didn't run after them because he was trying to relax in his chair in the front yard, they would yell, "Mr. Joe!" and no matter how tired he was, he would jump up hollering and run after them. You could tell he got as much joy out of it as they did -- he was just a big, fun kid himself.

Joe always spoke so lovingly about his family and his faith and had a special love for his sweet Lab, Elijah.

My thoughts and prayers to all who are saddened by the loss of our wonderfully special friend, Joe. He will always be fondly remembered and greatly missed.

“ I have great memories of Joe and all his brothers when we were young and they all lived in Galveston. Our parents were friends and we visited a lot. There was only laughter around in the Payne household and I treasure the memories of Joe and all his bothers as well as his cousins that I also loved as well. Our thoughts and prayers go out to each and everyone of you at this difficult time...yes we have lost a good one! May God bless each of you! Tinka

“ Uncle Joe was the most colorful person I ever met. When you saw his eye twinkle you knew you were about to hear or see something that could only come from him. :

He was completely devoted to his family, and seeing him with his grandkids made your heart happy.

What stands out most in my memory are the times I really needed to know that somebody cared, and there he was, caring.

I love you, Uncle Joe.

“ Uncle Joe was like a second father to me. Very few other people have made such a significant impact on my life. When I was a boy, he taught me how to fish. He passed on his love of the outdoors to me and his love for the great state of Texas. Uncle Joe, you will surely be missed.

“ *He was absolutely the best paw-paw in the world! Now that he's not here with me it's just so different. Especially since he was always by my side but now I know he's happy and is in a much better place, and still wathing over me.*
