“ J.B. and I were best friends in St. Albans, WV through 7th grade. I visited him at his home in the Houston area when we were 16. It must have been the summer of 1977. My thoughts and prayers are with his family at this time. It has been over a year since his passing, but I just heard this week. I will always cherish the times we spent together as kids in SA. God Bless his family. Please respond.
