HI

“ Dearest Randa, Aunt Imogene and family...Peace of Christ to you all.

Thank you Randa, in your time of sorrow, for remembering to notify me and your other friends of John's passing last night. My wife Paula and I have been praying for God to comfort John as his health rapidly declined ... and to supply you all with His sufficient peace ... and to strengthen your hearts as John's long journey home was advancing quickly before your eyes.

May the abundant warm memories of John's kind, encouraging life to others here on earth this side of Heaven for these many years remain in each of our hearts, forever. My recent 63rd birthday occurred this past week when I received the news about John's passing from you. I am truly grateful for the honor of being my being related to one of the very few family members who live/ lived as faithful followers of our Lord Jesus Christ. John's work here on earth is done now. He is home at last with the Father. He is safely home. May our hearts be encouraged by this truth in God's holy Word.

May John's friends, relatives and his beloved family and church family/ followers of Jesus be filled with the Peace of Christ ... and may our Heavenly Father's love carry you all as you prepare for your beloved John's righteous home going service on Monday, October 1. Prayers from his cousin Dusty me and my beloved Paula will continue to be lifted up for you all during this sad time of preparation of the details before you now, for John's memorial service.

John Bush ... Poppy Bush ... what a great man of God, and friend to many. Our Father is going to run to meet him ... when our dear John arrives home, in Heaven.

Take care, Cuz John. Thanks for the memories! "See you in the morning."

*Love to you all,
from 'Cousin Dusty', aka "Pop" and Howard E. Bush, III*

I'll pass on to Alicia about this and I know she will be praying for each of you as well. She loved her time with each of you as her and Krystal was growing up and going swimming at Grandpa's. May God Bless you and know that the world lost a great man in John. Know that we are here should you need anything Randa, we're only streets away from you and the girls.*

“ I will always have the fond memories of our hunting and fishing trips. Taking our boys hunting was the great days of our lives. John was probably the most even tempered person I ever knew. He was indeed a good friend and will be missed by all that knew him. I probably have known him longer than most. We started at Shell at about the same time in 1966. Our sincere condolences and prayers for the family. Bill and Barbara Mulkey
