“*Condolences to Becky and the Minott family. I had the pleasure of meeting Chipper on occasion while rooming with Becky senior year at Texas Tech. He was always very kind and thoughtful. Saddened to have lost touch, but will never forgot how happy they were in college and on their wedding day. I recall he was very fond of his Camaro.*

“ To the Minott Family,

I was shocked and saddened today to hear of John's passing. My family and I wish to pass along our sympathy, condolences and prayers. I have always enjoyed chatting with him when servicing the house and I am stunned to realize that I won't be able to do that anymore. I pray that time will bring strength to help you in this time.

Donna was particularly sad because Mr. Minott was always very friendly on the phone and she enjoyed speaking to him when setting up a service. Not everyone is friendly on the phone to her.

God Bless you all!

Chipper was Erin's soccer coach when she was in middle school and he was always such a positive, happy person. Never did I hear an unkind word come out of his mouth. On behalf of my family, you know your sorrow is felt by us too, and we're only a couple of doors down should you ever need anything, even at 2:00 am my parents stay up late, so it's okay. We loved having y'all as neighbors all these years, and your kindness and friendship has not gone unnoticed. If there is any way we can ever repay all that you've shared over the years, just ask.

“ John told me he played drums, played in a rock band, met a pretty girl in West Texas and married her, talked about his kids all the time, he was proud, didn't have to tell me he loved his wife, we knew, love vettes, told me if I wanted to eat with him in Midland it was Taco Villa, Jorges, or I was on my own, but he never told me I wouldn't see him again. It hurts. I'm going to miss him.

John was my supervisor at Unocal for a couple of years. He always had a steady hand dealing with people and I felt that helped me in the earlier days of my career. He always had time to say a few words to a guys which is something I appreciated. He was a man of good character and it was a privilege to know him.
