“ *John III and family,
I always enjoyed your dad coming into the office. He had a laugh I will always recall and a wonderful smile to share. He loved you and was so proud of you. We talked of you often because you worked here before - just not to leave others out! I was sad today to see he passed away but I enjoyed seeing the happiness he shared in the video.
My prayers that you all find peace and continue to hear that laugh!

“ I will always think of John laughing and telling jokes and having a good time. Good crazy times at Phi Kappa Theta, I think that was the Frat house name? He was a character in the best way, always encouraging people to laugh, like his dad....love you John. Xx,ace

“ Condolences to all. We were very close as kids, and remained so all our lives. We fished hiked, and camped in the summer. John was three days older than I and we always celebrated our birthdays together at Harkins meadow.

Love,
