“ My condolences go out to the O'Hearn family. Growing up, I saw Mr.
O'Hearn at least three times a week, 2 at soccer practices and one
at church. He was a mentor and a coach to all that knew him. God
Bless!

“ John,
A very dear friend who will be sorely missed, ever the helpful person no matter what the challenge John was always there.
He was one of the best professionals and those of us who worked with him would love to learn what he forgot about the Engineering business.
I will always remember John for being the best of the best.

May his sole rest in peace and may God grant his family strength in their greatest trial of need.

“ Mrs. O'Hearn & family,

There are no words I can use to lessen the loss of John. I do want you to know that John touched the hearts of many people that he worked with. I was fortunate to be one of those people. John's upbeat personality made everyone's day a little brighter and a little better. The world was a better place because of John. Please accept my deepest sympathies.

“ My thoughts and prayers go out to the O'Hearn family. I am from alabama and I was one of the first people on the scene of John's accident. My husband and I ride motorcycles and are members of Southern Patriot R.C.. I told Susan I would have liked to meet them in a different situation. But I look at it like this God told us to turn around these people need help. Enough with that I would have liked to meet John. He sounds like a guy I would have alot of respect for and enjoy being around him. I am praying for you and the rest of your family. Heidi and Trip Patton

“ As a fellow motorcycle enthusiast, I was deeply saddened when I heard about John's accident. I've had the pleasure of working with John over the last 2 years. He was a true professional, a true gentleman, and a good friend. I was glad to have gotten to know and work with him. He will be sorely missed, professionally and personally.
My thoughts and prayers are with his family.

“ I grew up on the same street as the O'Hearn family. Brent and I played sports all the time. He always reminded me of his dad. He was kind, strong and smart. Traits that I'm very grateful John passed down. He will be missed and honored for who he was.

“ I am truly sorry for your loss. I never knew him but know a friend of his. I know what you're going through. I lost my husband almost 3 yrs. ago. Words cannot help with the pain you're going through. Only faith and time will heal your suffering. My prayers are with all the family and his friends. Especially with the daughter who was with him at the time. May God keep you all in his care and give you peace.
