“ To John Charles and Jason,
John A. Steffek was a really fine, fine man. I had the privelege of working with your dad for over 10 years. I want you to know that John was truly respected by those who knew him and worked with him at Dow. His knowledge, his work ethic, his dedication and his sincerity were exemplary. He always exhibited humility and a subtle sense of humor. Without doubt 1915 was a vintage year. My own dad was born that January and passed away just a year ago. John and my dad were the two best men I ever knew. They were true American heroes. People like them don't come along just every day. I'm certain you are proud to be his sons. You have my sincerest sympathies. God Bless.

“ At my grandmother's Mavis Hutton funeral, Lorraine said "My, we had such fun all those years, didn't we?" I would say the same! I'll never forget the toy closet in the den, the beef-patty sandwiches Mrs. Steffek made, and your dog Sahje. Not to mention the hours playing Batman & Robin and S.W.A.T.! The Steffek house was always welcoming, and I was privileged to spend part of my childhood there. Your parents' kindness to my grandmother was unsurpassed; a friendship she treasured so much. Thank you for everything, John & Lorraine Steffek!
