“ Dear Dona and family, I was so sorry to hear of John's untimely death. He and I went back many years together. It was such a pleasure knowing him. He always had a good nature and was a true gentleman in every sense of the word. It was always apparent to me how much he loved his family. He was a loyal friend for all those years. I will miss him. I know from having lost Nancy what a trying time this is for you and your family. I only hope that with God's help and with the help of friends and family that time heals the heartache. God bless you.

“ Dear Dona,
My husband and I saw Johnnie at MD Anderson about a year and a half ago when we were there for follow ups with doctors. I've prayed and thought about him and so many others that have had to endure this terrible disease.
My heart goes out to you at this very tragic and difficult time. There is very little anyone will be able to say to you that will ease your immense pain. Hopefully and prayerfully time and memories will sustain you. God Bless You and I will keep you and your family in my prayers.. Sincerely, Nancy
