“ To the Petrussek family so sorry for your loss. John was one of those guys who treated everyone like a friend and would do anything to help you. He never had a bad day at work and was always willing to go out of his way to help. I worked with John since 1975 all the way up until his retirement. He was a teacher and mentor to all the new employees and a great go to guy for help. We all miss John and may he have eternal rest and our admiration to a life well lived.

“ Beverly & John,I had not seen Johnny since our wedding day on July 6, 1958. I know that John, Leonard and Leo were great friends in the Army. Our daughter tried to find him when we celebrated our 40th and later our 50th anniversaries. How sad that we lived so close all those years while we were in Katy. We wanted to come to the rosary or funeral but we had a neighbor's services to attend. Even though we have never had the pleasure of meeting you and your son, you are in our thoughts and prayers.  
Love, Leo & Virginia
