

John Andrew Vaughn

March 25, 1972 - April 1, 2020

John Andrew Vaughn, 48, of Richmond, Texas passed away on April 1, 2020.

John Andrew Vaughn received his wings on April 1, 2020. We suspect that he demanded that they be blue and silver, and if you knew John, you know that he would not have needed for anyone to take a turn and close that deal! Forever the most loyal Dallas Cowboys fan that you ever knew, and always ready with a comeback for anyone who did not agree that they were “America’s Team.” While the Cowboy’s last few seasons had broken his heart, that is not what took him from us. He passed away suddenly and peacefully due to complications of pneumonia.

John’s love for the Cowboys was only second to the love that he had for his family, friends, and people in general! A lot of people are described as “the life of the party.” In most cases with John, he was the party, the DJ, the choreographer, lead singer, bartender, host, and whatever else was needed to keep the party going. He never met a stranger, and you never had to wonder what he was thinking. He had a love for the car business and every person that he met in his almost 30 years in that industry. John was a mentor and friend to many, and a constant source of laughter to all.

He was a loving and doting husband to his high school sweetheart and wife of 28 years, a supportive and extremely proud father to his three amazing children, and loved to spoil his two granddaughters.

It will come as no surprise that John did not want a sad funeral service, but made it very clear that his wish was for there to be a party to celebrate his life. Due to the current limitations on social gatherings, we are unable to do that at this time. However, we will be arranging a celebration of life for all that knew and loved him whenever the social distancing orders have been lifted.

Left to honor John and remember his love and laughter are his wife, Jennifer Vaughn; sons, Austen and Chandler Vaughn; daughter, Bailey Vaughn; granddaughters, Lillie and

Autumn Vaughn; parents, Johnny “JR” Vaughn, Linda and Jordan Jones, Pat and Rhonda Duhon, Elizabeth Duhon; siblings, Kati and Hannah Vaughn, Allen Duhon; as well as a host of aunts, uncles, cousins, nieces, nephews, and friends.

The Vaughn family is graciously receiving condolences at 1107 Copperwood Ct. Richmond, TX 77406, or you may purchase and proudly wear a Dak Prescott jersey in his honor. John would have loved that!

“ John was a dear friend of mine, we worked together always joking and fighting over some deal 😂 we used to ride together every time we would go over the over pass in Katy I'd get so nervous I had to shut my eyes and John would let me know we were over he laughed so hard every time. He lived to laugh we would talk sports, he was shocked how much I knew. He was a good man with a big heart ❤️ He will be so missed Jennifer my prayers are with you and your family 🙏🙏

“ John was my cousin, an older brother, and like a best friend. He has always teased me but always had my back even as a young girl. He got seats at school for getting on to a girl beating up on me in first grade. Before I got braces he said if I was going to play hide and seek, I would hide behind your two front teeth. 😂 As we became adults I would road trip from fort Worth to stay the weekend and have cook outs. I trusted him with anything. He made me laugh, and we have shed tears, and hugged through difficult times. Everyday I will miss our phone calls, making fun of one another, sharing our life events, favorite music, and many laughs. I've never felt pain like this loss. I know we will see one another again I'm sure he will be waiting with a smile and words I best not repeat. Lol JV you are one of a kind and I love you more than words can express. I know you will still watch over me. Until we see each other again. ❤️❤️❤️

“ I have so many memories of us growing up together. From the time a man threw his scooter off the 2nd level of a retail store where we were riding and another time he got sucked down a concrete hole in the trinity. When it shot him out the other side he swore he'd be in church that Sunday. I love you cousin, I know where you are, I will see you soon my brother!

“ John is my cousin but we grew up more like brother and sister. Lots of fun memories and long talks and of course unconditional love. I will forever miss him. Now him and dad (Uncle Billy) can cheer the Cowboys win or loose and work on their A game. Prayers and love to all! Tara, Kenneth and Vincent 🙏💙

Sorry for your loss Tara. These times make it especially difficult because you cannot express your grief in person to John's parents, wife and children. Prayers for all.

“ *Words do no justice when it comes to trying to describe the impact of this loss on the entire family. John was more than just a family man and a car guru, he was genuinely one of the kindest hearted souls I'd ever had the honor to meet and spend time with. Whether you knew John from a one time meet or a long friendship, it didn't matter, he treated you like you were family. I challenge all of us to live with a heart as big as John's was and still is. We will see him in Heaven... our king is Risen and John knew that. See you soon brother! We Love You John!*

“ *John Vaughn is my nephew in law married to my Beautiful niece Jennifer!! I loved John and his little boy look even at the age of 48! He was funny, had an infectious laugh, and knew the car business like no other! It's still difficult for me to let go but because he's with Jesus I'm happy for him but selfishly I want him here! I love you Jennifer, Austen, Bailey and Chandler! Praying for all of you without ceasing. RIP My sweet John Vaughn 🙏🙏 I'll miss you forever!*

My favorite part of John was whenever he would tell a story about someone he would always put people in the most positive light. He would talk about me in a way that would make me look like I was great at everything. He loved his friends so much and his family more. I miss you brother until we see each other again on the other side
