“Dad, my favorite memories of you will always be of all the times we spent together. Whether it be meeting for breakfast at Whataburger for our biscuits and gravy, driving to Baird to go hunting for dove, deer and turkey, or taking the boat out to go fishing. Maybe it was just to drive down to Texas City Dike just to listen to the waves and smell the salt air. These memories I will always cherish. I'm excited you received your wings. You can now fly high with your parents and sisters.

Love you, Dad.
