“ I remember when he always would ask me to go fish in his pond for him. He would always help me get the fishing pole off the rack and also get the lure on it. He would take me out there with my sisterBrittney and my brotherChad and let us fish and fish and fish. We would go back to the house and he would show us how to filet then say that we need to learn how to do this so he could stay inside. he is always in my heart and I will never forget him. Love you Grandpa!
