“ *Johnnie, Thank you for your warm smile and soulful eyes and kind words. I enjoyed talking to you about the children in your life and appreciate your kindness towards my son. I will never forget the bidding wars at the OADH auctions and the fabric children's books we bid for at the first hunt I ever attended. We will always have those. Ben still loves the little wooden train you outbid us for and then gave Ben. He remembers your name and says, "My friend Johnnie gave me this train." He remembers you letting him play with it in your hotel room so he would be out of the traffic of the after party. You are special and reminded me that there are angels walking this earth dressed in many different disguises. Thank you for being one of them and reaching out to us with friendship and fellowship and understanding. I am so sad you have gone on. Peace my friend. We send you on with much, much love. Love, Lisa, Vic, and Ben*

“ I am another friend from the One Arm Dove Hunt. Johnnie was a sweet and kind man, and we will miss him a lot. He was terribly ill last month at the Hunt, but his kindness and generosity persisted throughout. When he won the shotgun drawing, the entire Dove Hunt community cheered and applauded in our appreciation of Johnnie Price ... I am glad that he was there to realize how very fond we all were of him.
