“ Although we've only known Johnnie and Annie for a few years, those opportunities to visit with them and talk with Johnnie were memorable. We always looked forward to our visits with Jhonnie and Annie at the Petrosky family gatherings. Johnnie was the epitome of a gentleman's gentle man and obviously devoted to his family. His smile and presence at family gatherings will be greatly missed.

“ Having him as a Grandpa and a Great Grandpa will always be one of our biggest blessings! When we were picking out names for our son, we wanted to name him after Grandpa, we chose to use Zak to continue on the family name. We pray our son grows into a patient, kind and loving man just like his namesake.
