“ When I heard the news of Johnny's departure I was in disbelief. I met the band for the first time in 2006 in Las Vegas. I was impressed with the amount of talent. When I found out how this traffic accident happened, Munchie you immediately came to mind. Everyone knew Johnny was like your big brother. A family bond like the one you two shared can never be broken even in this situation. I pray for the entire Cruz family to have the Lord give you the strength to carry Johnny's memory with his music. He touched many with his talented voice and accordion. I was privileged to have known you even if I only saw you a few times.

Munchie-You've been on my mind since I found out. If you need to talk to someone know you will always have a friend in me. My email: janice2085@yahoo.com

“ Dear Heavenly Father, Please help Angela in this time of loss and overwhelming grief. Give her the understanding and comfort why life is filled with this pain and heartache. Let Angela’s eyes stay focused on you as she seeks to find the strength to trust in your faithfulness. Let her wait on you and not despair; Angela’s heart is crushed, but I know that you will not abandon her. Please show her your compassion, Lord. Help her through the pain so that she will hope in you again. Let Angela believe your promises in your Word to send her fresh mercy each day. Though she can’t see past today, let her trust your great love will never fail her. Father God be with Johnny’s sons in this tragic loss of their father, give them the strength and hope that can only come through you Father God. I lift up the whole Cruz family and ask that you pour your grace and mercy over them Father God, I lift up their finances and ask that every need be met. In Jesus Mighty Name I pray.
Amen.

It was hard cleaning out your locker here at work and doing your time sheets for the last time. There were so many work related situations that brought us closer to one another. Every Monday you would come in and say "Hey Mike, how many hours did I get for the week?" On every pay day Friday you would also say "you want some tacos?" It's been an honor/privilege working with you Bro, you will be greatly missed.

“ I HAD THE PLEASURE OF SEENING JOHNNY PERFORM A FEW TIMES IN HOUSTON. AND I CAN SAY THAT HE WAS THE REASON WHY I GOT BACK INTO CONJUNTO MUSIC. HE WOULD REALLY BRING THE ACCORDION TO LIFE WITH HIS CONSTANT PLAY AND WHEN HE SANG YOU KNEW HE FELT IT AND LOVED IT. HIS VOICE WAS VERY DISTINCT AND IT WENT WITH HIS HARDCORE CONJUNTO STILO! MY WIFE NEVER HEARD CONJUNTO BUT QUICKLY BECAME A FAN WHEN SHE HEARD "FOLSOM PRISON" PLAYED BY JOHNNY. STILL TODAY THERE IS NO OTHER CONJUNTO THAT PLAYS IT LIKE JOHN & THE T.C.G.. WHEN I HEARD THE NEWS I COULD NOT BELIEVE IT. ALTHOUGH I NEVER MET YOU I FELT LIKE I KNEW YOU AND WERE PART OF THE FAMILY. THERE NEVER WHEN A FAJITA COOKING NIGHT WITHOUT T.C.G AND BUD LIGHT BABY! “ As we face the devastating news of Johnny's death, I would like to extend my deepest sympathy to the entire Cruz family.

Johnny was such a "people person" and the fact that he loved to perform really showed, but I'm not saying anything that you didn't already know. The first time I heard him sing he immediately became my favorite conjunto singer! His voice was like magic and that smile...worth more than a thousand words: and a heart that seems to have been made of gold! He was "conjunto" and he was "country", and when I wanted GREAT I would simply look for Johnny! I told him how awesome he was and how I loved his music, and did I mention the squeeze-box? Never seen anyone play it better!

Johnny, you will be greatly missed but never forgotten, so until we meet again, your music will keep you with us. Rest easy my friend and God Bless You!

Munchie- you have also been in my prayers since the moment I got this horrible news. A loss so unexpected isn’t easy on anyone; he was taken far too early... John was a great person and an amazing musician...I will be forever grateful for getting the chance to know him and enjoy his music. The pictures and videos of him playing are just a small part of the memory I will keep of him, but the place he holds in my heart and in the hearts of conjunto lovers everywhere is what will last forever! Johnny “El Brujo” Cruz-the past is the past and no matter what had changed, I pray you know...you were and will always be one of my favorite accordion players! Kick back!

“ To my favorite Uncle John, I'll always cherish the great times and memories we had together. Spending the night at our house staying up late sneaking my mom's M&M's and cokes, riding our bikes like we were Ponch and Baker from CHIPS. Playing baseball in the back lot and getting schooled on the basketball court. Going with u to ur gigs and going to shoot pool with u. Our late night trips to Dennys and standing in ur wedding. You always knew how to make us laugh and picked on us all. Things won't be the same without you. You live on in my heart forever and I'll always remember ur beautiful smile. I miss the tight hugs around my neck and gentle kisses on my cheek you would give me as we departed and smelling of ur cologne from the hug we had just embraced. You live on thru ur music and ur children, and I will honor you by being there for them and letting them know how great you were and how much you loved them! I love you and miss you so much! Until I see you again Tio Juanio, be cool!

“ Our sincere condolences go to the Cruz family and friends. The Lord needed an Angel that could play an accordion and he selected the best, Johnny Cruz! We will always remember the special times that Johnny would visit our record store in San Antonio. These are memories that will always bring us joy to relieve the pain of his passing.

“ Johnny, when we first heard about you through our friends the Big HatzHouston, all we heard was how you rocked every place you played. After hearing your music, we looked at each other and said "we want him to play at our wedding", it was a special request, and you came through. You will be truly missed but not forgotten.
