“ Mommy I sure do miss you, I wish you were here with me every day and moment. I really could use you a lot, it's so hard without you. I wish you were here with us on my birthday, yours and all those other holidays. I wish god could've given you another chance, but he didn't. I've always wanted to try and come up to heaven and see but I just can't. I wish you here with me at school and helping me I am kinda of struggling. It's just hard to believe you died when I was only two years old and I'm about to be eleven. I miss you so much mommy!

Love,
Your daughter Channing

“ Dearest Billy, I have searched for words to act as a balm to sooth your broken heart; I have come up short. There is not a word soft enough, or big enough to fill the space Joni has left. The outpouring of love and support I see on this page is a testament to Joni's truth and belief and affection for you, her children,her family, her community and her faith. I believe that in her truth you will find your strength. Until then, lean on us.

We love you,
Cousin Bonnie Kay Artale, Katie Artale Astoria, Keith and Annabelle Astoria.
