“ Our friend is gone too soon. Dee and Fred Comp would bring Joe to my house to service the A/C. Joe always did extra little things just to make sure I would be alright. It always came with a big dose of humorous sarcasm that was always reciprocated. You know you have a special repair guy when your chuckling the whole time. Condolences to the family and may our friend rest in peace. God Bless,
K.K. Walker

“ I remember when I was just a teenager and my mom (Rosa) His Fiancé and Jose would go on adventures and he always asked if I wanted to come , and I always said yes , he was always nice and sweet to my mom and It was always fun to hang out ! He was someone I looked up to and was a hard worker and we all joked about having our own business and my mom would be the secretary and I'd be his assistant!
I wish I had more memories , but I'll cherish the ones I already have . It pains me to see someone go but I'm always going to miss him and I'll thank God for The memories we shared.

“ Our deepest condolences to Jose's family. My husband and I went to the same church he did, Family Worship Center in Stafford. We are sorry to say we really didn't know him well. However, every Sunday, he would come in and sit at the back of the Sanctuary waiting for the service begin. We always greeted him with a hand shake, a wave and a smile. He seemed like a very kind man. David and Dorothy Matherne
