“ Joe was an outstanding mentor, I had a great pleasure of working with him at the fire department... Joe was a phenomenal employee of mine at Cemex as well as driving a mixer back in the day when I started in 95.while working and talking with Joe daily, The expression on his face and body language when he spoke of his wife Sylvia and all his children, he was one of the happiest fathers alive that I have ever known and met... Joel will be tremendously missed by his family friends and myself...rest in peace my brother Joe until we see you again.condolences to the Bentancourt family you are loved And know that you will have all the support you will need...The Rodriguez Family
