“ God needed another angel.....

*We met in 1987, our 1st dance was at Arcola Ballroom upstairs. You took me to my 1st ever Car Show at The Astrodome. I was blown away with all the beautiful and different cars.*

*Our bundle of joy came a year later December 8th, just four days from your own birthday.*

*Michelle Guadalupe Rivera, weighed in at 7.5 lbs with jet black hair and great pair of lungs!!*

*We made a lot of memories like getting stuck in the sand at the beach, truck and boat. God sent people to help pull us out, and we never did that again lol.*

*The time, when I cooked enchiladas at the house and you said to me, jr. does not like onions and I said, let him pick them out. I don't remember if he ever did pick those onions out.*

*You were the love of my life and you will always be tucked tightly in my heart.*

*I am so glad I came to see and hang out with you a few weeks earlier!!!*

*This is not goodbye, this is see you later, in the heavenlies!*

*RIP Lupe @)}}----%-----*
