“ I just learned of Josephine's death and so sorry. I first knew her when she lived near my family in Needville and then again after retirement and volunteering together at the hospital. She was always an inspiration and as she said "I never get tired, I don't know what it is to be tired."

“ Dear Jan Family:  
My sincere condolences on the loss of your mother. I remember growing up "down the highway" from you all, carpooling to Holy Rosary school, and also stopping by the store in Pleak. Every time I come home to Rosenberg and pass your original family home, I think to myself, there's the Jan's house, even though it has passed hands as everyone moved on. I have many memories of us Janczak children playing with the Jan kids. Josie, as my mom called her, was always so very kind and low key, and such a good housekeeper and mother to her children. My mom has lost her dear friend as well, and has many memories of our two families being good neighbors on Hwy 36. Good Bless.

“ Dear Jan Family,  
Thoughts and prayers are with All of you during this very difficult time. I can still remember your Mom and Dad back when they had the "store" in Pleak. I remember seeing Mrs. Jan in Church and also her picture as an auxiliary officer in the newspaper.I think about the white house on Hwy 36 and remember that's the "Jan's" House. She was a very special lady.

“ I would just like to take this time and tell you all how sorry Gordon and I are at Mrs. Jan's passing. I can still remember her holding and playing with our youngest son Corey when we would take Mandy and Donny to see her. Have no doubts that they loved her dearly and it makes me feel a lot better knowing that she is with Mandy now. Know that Mandy and Donny always talked about her and both loved her dearly. I still love you all very much as sisters and know that I will pray for your family in the upcoming days. May God Bless each and everyone of you. Gordon and Katherine Phillips
