“ *Josie, we are thinking of you. We love you and miss you.*

James Uvalle - January 26 at 04:18 PM

“ *Josie, where to even begin. A true light, a true beacon for your loved ones. You had a big smile and even a bigger heart. There the days where the pain feels like a boulder sitting on my chest, some days it's like a papercut, but I know that you're watching over all of us. I'll love you forever. Today, until my last day.*
