“ Alice and Don, He was my best friend for many years and someone that I both looked up to and cared for. You were my family before college and will continue to be in my thoughts and prayers. Your son’s presence was a key part in my success and a reason for many of my happiest times. Thank you for being there for me in the past and if there is anything I can do for you all, let me know.

“ I would like to extend my deep condolences for the loss of Josh. Josh and I met during our last year of undergrad at Texas A&M and our friendship truly impacted me. During that last year we grew very close together with a few other friends and all of of shared wonderful memories of such a great year. Distance does not allow me to be close to the Pearce family at this moment but the memory of him is close to my heart. The Pearce family is in my prayers and in my heart.
