“ *Favorite memories: ghost hunting in Needville with D.R and in Booth abandoned school/church, astros games with dad and kristi, concerts, high school graduation, somerville with family, prom in a muddy truck, learning how to drive and getting pulled over...the list goes on. Seriously, a book should be made of all the memories he created with others.*

I'm grateful to have known him when I did and for him connecting all of us.
