“ I am so sorry to hear about Joyce's passing. She was such a wonderful person and a dear friend. I remember being a room mother with her at Junction when Twyla & Jamie were in elementary school. I also remember her being very active in PTA. She was a joy to be around and always helped in any way she could. You always knew when Joyce agreed to do something, it would be done and in the best way possible. All of you are in my thoughts & prayers. It was truly an honor & privilege to have known her and worked with her in many volunteer activities. She will be missed.
