“ *We were so very sorry to hear of Joyce's passing. Our hearts and prayers go out to family and friends as they remember this wonderful woman. Joyce was quite remarkable and an inspiration to us all. I will never forget calling BB after hours expecting to leave a voicemail and instead Joyce would pick up the phone and greet me with the sweetest voice. Here was the owner of the Company conversing with me and taking my order long after customer service left for the day. This happened on multiple occasions. You could only admire her dedication to the family business and have the utmost respect for how hard she worked. She will be missed by all and may her kind and beautiful spirit live on and grace the entire BB family.*

“ I am heartbroken and so sorry for this very sad loss. Mrs. Barrows was a wonderful woman and her memory lives in so many people. My personal memory of her is quite vivid. I had been diagnosed with cancer a month or so earlier. I was preparing for surgery and the time I would be out of the sales field (working for Bluebonnet). I was discussing with Joyce (who handled my travel expenses) how to handle my travel allowances in the months I would not be traveling. She firmly said I was to turn in all my allowances to her every month and focus on nothing but getting better. I broke down in tears. I know Bluebonnet is filled with real family who care about their own and others. But, this wonderful woman, in that moment, let me know how loved and supported I was. Supported not just by the company I worked for, but by the people I would forever call family. I love you all so much and am sending every bit of that love today and in the days to come. “ Sending the Barrows family lots of love during this time of loss. I adored Joyce from the very moment I met her. She was an amazing lady who truly cared about the folks she worked with (even if it took us weeks to turn in expense reports!). She spent hours with me listening to me sob after a family member loss, and checked on me regularly.

May she rest in peace ~ Kathy Smith

“ My heart goes out to the Barrows family. Although, I spent a short time with Joyce, she was inspiring, loving, classy and a blessing to all. She, no doubt was responsible for all the love and closeness of this wonderful family that I am so glad I had the privilege to be a part of.

Blessings and peace to all.

Very elegant, graceful and one of the sweetest souls I have ever met. I was very blessed to share life along her side for a few years for she was my first boss while I was still in high school. This is a very special family to me and I pray the Lord comforts their hearts and brings them peace that surpasses all understanding.
