“ I am sorry for the loss of your loved one. I knew Joyce for over fifty. She lived behind me on fourth Street when our children were young and we visited on many occasions. Since she moved from Sugar Land I only see her when she visits her mother, Mrs. Stock, who lives across the street from me. She will truly be missed. Love to all her family members.

“ You have my deepest sympathy in the loss of our beloved Joyce. She was a wonderful person that suffered enough to gain immediate entry to heaven. She will always be with you and watching over you so you will never feel alone. Just pray to her and for her and you have your own angel.

“ Nancy, My prayer is that you and your sister will find strength and solace in this time of grief. It's most difficult to lose a loved one, even more difficult to lose a parent. May you find solace in the fact that she is in a much-loved place; she has no more pain; and she has 2 beautiful children to carry her legacy.
