“ My husband and I met Joyce and Ed through the YMCA. They were our first Texas friends after we moved there from Missouri. They had just moved to Texas themselves. For the past 6 years we had lunch together and played Mexican Train as often as possible. Now we are living back in Kansas City, but our lives are less bright without Joyce and Ed in them. Joyce was one in a million. Our love to Ed and their children. Gerald and Susan Brown

“ I know Joyce from our Arise in Christ prayer group which has been meeting together since 2017. She and Ed have contributed so much to our group in appreciating and understanding our faith more deeply. We will miss Joyce so very much...her sharp wit, her radiant smile, and great sense of humor! May she rest in peace in God's arms for eternity.

“ *So sorry for your family's loss, what a full and productive life she had serving her faith, family, and friends. The world is a better place because of Joyce being a part of it the past 85 years. Her infectious laugh and outlook on life rubbed off on a kid in Hereford Texas back in the late 70's. Those formidable years of high school were positively affected by the wonderful Geiger family. I'll forever carry a piece of her in my heart as we are molded in life by the personal experiences we have with others. Will be praying for your family in the days and months to come.
