“ *What a wonderful friend. I met her at the hospital when I took care of her son, Dan, after his surgery. We became friends and she has since been a good neighbor, supportive friend, wonderful real estate agent and just all around good gal. I will miss her so much. Her soft, sweet spirit was always such a joy to me.*

*Joyce and I were friends in high school, we lost touch over the years, but reconnected at a high school reunion and ended up rooming together at our future reunions . Then we took a cruise in April of this year, 2017, to the Caribbean. We had more fun together... she was such a sweet, caring, "full of life" & fun person. She loved her family dearly and was looking so forward to taking all her family on a cruise at Christmas time. She talked about that so much when we were together on the cruise! We talked about how special both our families are and we talked about our Lord. We were planning on being cruising buddies, as we had such a great time together and shared so many things in common. I will miss those future times. 😭 I will look forward to greeting her someday in heaven and continuing our friendship. ❤️*

*Joyce & I became friends as freshmen at Texas Tech pledging Sigma Kappa sorority together. We kept in touch over the years through reunions. She was fun to be with and a quiet lovely lady who adored her granddaughters & loved her family. I last visited with her & her son, Tom while she was rehabbing. Prayers for her family as they go through this difficult time.*

*Joyce and I reconnected after high school and roomed together at some of the reunions. I did not attend our 60th, but she called to see if I were going. I'm sorry I did not go. We always touched based at Christmas time by exchanging cards. It will be sad to remove her name from my Christmas list. I shall always remember her beautiful smile and caring ways. God be with her family at this difficult time.*
