“ First I would like to extend my deepest sympathies to the entire Vasquez family. The loss of a mother, wife, grandmother is not an easy thing to endure.

I was blessed to be close to Juana and her beautiful family for many many years. Anyone that knew her knew the great love she had for children, grandchildren, great grandchildren and husband. She was an amazing woman of faith that always instilled those values in each of her kids. I pray that her words, lessons and advice will never be forgotten. We must pass on the lessons and advice of this wonderful woman to the next generation. And thru all those teachings Juana will continue to bless our lives. She will be so missed. But i truly feel i am a better person because of how she touched my life. I am forever grateful for that. Mr. Vasquez from the Razo family please know we have nothing but gratitude toward you and Juana. The love you both extended to us was/is more precious than gold. Mr. Vasquez anything you may need we are always here for you sir. I pray that God gives you and all your children peace and strength. And that you all keep being the united family that you always have been.
