“ *Your mom was a real sweetheart. I was sorry to hear of her passing. I saw her a few times at the one grocery store in East Bernard when I was visiting my own mom in the past few years. Your mom was always smiling. I think she passed on her pleasant personality to her girls.*

“ *Wanted to say how sorry I am about my Tia passing. I now live in Baytown Tx "thanks to Ike" but I want to say that I remember as a young girl going to Tia's, picking cotten, running, playing and having great dinners! I still see her smile, she had a great smile. So sorry for your loss. My dad was Victor Alcorta and my Mom was Lupe, for those who don't know. I hope your family heals from her loss and God Bless you. Love to all. Lilly and Amos Perez*

“ *Mamie, Betty, Margie, Mouse and rest of family. I send you my deepest condolences. My "comadrita" Juanita was such a strong & loving person. I have a lot of fond memories of her. After all we were always neighbors in the country and in the big city of East Bernard. Mamie, you & I were like sisters, Mouse & Alex were inseparable. My thoughts & prayers are with you in this sad time of your lives. Her fond memories will always remain with us. I love you.*

“ My condolences to all of "grandma" Jane's family. "Grandma Jane" was such a strong lady, both in her faith and her character. She used to tell me about how tough life was when she was young and how much they had endured. She was very giving and loving. I know that my daughter and her grandson, boy, as she called him, appreciate all that she did for them. Not only did she provide a place for them to stay but she made room for her great granddaughter, Alyssa, as well. She truly lived life in a christian way and i am proud to have known her and to have shared some good quality time with her in her home. She taught me to be a strong woman. Grandma Jane you are finally resting in your heavenly home where you belong.

“ As I was going through the obituaries, I found this announcement. My mother's name is Diana Alcorta and "Alcorta" is not a common last name. I called her immediately and was just surprised that someone with the same last name would live to close by. She recalls her father and grandfather having brothers who didn't live in Mexico. God Bless your family during this time and what a blessing to have her live 93 years.

“ I consider myself blessed to have known such a special person and you will forever be missed. You will always be a very special person to me and my wife, Lisa. I will never forget those days when you would make breakfast tacos for me and your "Boy" George Martinez, Jr before our football games on Thursday nights. Granny as he would call you, I know Boy loved you very much and would do anything and everything for you. He will miss you greatly.

“ My thoughts and prayers are with your family during this time. I met "Janie", Marcelino and Robert Mouse when I worked for Union State Bank, back in the early 70's. She always had a smile on her face and loved telling me about her family. She lived a very long, joyous life and will be missed. Blessings to you all. Robert, I know you were a joy to her and Marcelino and she loved you very much!!!!
