“ Please accept my condolences. May you find comfort in the fond memories of your loved family member. The Bible also offers words of comfort during times of bereavement. 2 Corinthians 1:3, 4 states God will comfort us in all our trials.

“ There are no words that can express how we feel about the loss of Judy. She had a loving and big heart and a beautiful soul!! What a blessing to know her and call her friend and family!! I will miss watching old westerns and listening to country music with her while the guys sat out back or worked on a some project!! I loved every story she had to tell!! And cat naps in the recliners were the best!! She will truly be missed!! We love you both dearly!
