“ *When Judy moved to Richmond in grade school, she & I became immediate friends. I remember going to her house to play after school many times. She was such a dear, sweet person, and I always enjoyed my conversations with her at our class reunions. Daniel, may God grant you peace & comfort at this very difficult time. Susan*

“ *Aunt Judy was an amazing woman. She often would call and check in with me and my wife just to see how we were doing. It meant so much to both of us. Life always seems to get in the way, but she was always there to check on us and we loved her so much for doing so. We will miss her terribly but know that God has another angel in heave, and her name is Judy Dusek. We love you and will miss you Aunt Judy.*
