“ I worked at Suniland Furniture with Judy for many years and have enjoyed seeing and visiting with her at classes and functions over the last few years. I am shocked at her loss and of course wish we had spent more time together. She seemed not afraid to try other directions in life and I applaud that in her.
My sincere condolences to all of her family.

“ Dear Cousins,

I was shocked to get the news that Judy had passed away. She will be greatly missed by all of you and the rest of the cousins she had.

I had so many fond memories of being with Judy playing at their home in Needville or at my home in Brenham. Those memories will never be forgotten.
