“ My sweet Julie I have no words to describe the anguish and pain that your passing has brought me. Since you were a child you have always been in my heart and in my prayers. I have loved you since the day your Mom and Dad brought you home. I know that your Spirit and beautiful aura continues to live on. Our Faith in the Resurrection and the knowledge that I will see you again is what sustains me at this difficult time. Please continue to watch over us as the beautiful Angel that you have become. Rest in Peace my beautiful Julibugs. Please come to meet me when I am called home.
Your loving Godmother

“ Dear Julianna,

If I could speak to you now, I would tell you how precious you are. Your smile, your laughter, your warm heart are gifts you brought to those around you. Though life was hard for you at times, I would liked to have said, “Hang in there, this won’t last forever. You are a gift, never forget that.”

I watched you grow up into the young woman you became. Your beautiful soul shined brightly since you were a child. There seemed to be a peaceful aura around you I couldn’t explain. As if angels watched over you. Even if you were not to believe my words, I wish I would have had the chance to tell you more how special you are.

In heaven now you reside, how fitting a place for a beautiful soul such as yours. You are guarded and protected in the arms of our Lord. Those that are left behind now must live on, until we meet again at heaven’s gate. When such a time comes, may we present to you gifts of our deeds in your name. To show how you have impacted our lives and to tell you again that you are loved.

When I think about you now, as I write these words, I can see your kind smile and your bright eyes. Know always, Dear, that you are in my heart and your memory will live on.

With much love, your cousin.
