“ Jennifer, Frankie and the rest of the Howard/Ortega Family. Im not sure how to even express my condolences during this tragic loss. Juliette was just 2 days older than my own daughter and I remember meeting Julie and laughing at how much she reminded me of my own little girl. I simply cannot imagine the pain you must be suffering from this loss. Baby Juliette has been on my mind non stop. She was such a joy and spirited little girl the one and only time I had the pleasure of meeting her. I have been praying for all who knew her, but especially for her loving parents Jennifer and Frankie. Jennifer as a mother, my heart just aches for you and I will continue to keep you and your family in my prayers. My prayer is that you find the strength you need to carry on daily and have faith knowing that Baby Juliette is safe in God's Kingdom. She will always be young, innocent and the perfect angel we remember here on earth. With Deepest Sympathies,

“ Jen,
God knows how much you loved her and only God can know all the pain you are feeling. As mothers we carry our children in our womb, so close to our hearts....the bond never breaks, only grows stronger. I pray the memories of her love and laughter will carry you on your darkest days. I am praying for you.
May you feel Gods protection, comfort, understanding, encouragement, and most of all His love .

“ Jennifer & Carole, I am so very sorry for your loss. Though Juliette was here for only a short while, she brought so much joy to everyone. She is not alone, she is having the time of her life with her Great Grandfather and you now have 2 guardian angels wathing over you. Although we will never understand why God chose Juliette at such a young age, he has bigger and better plans for her. Continue to keep your faith strong, it will help you through this difficult time.

Continued prayers & hugs being sent your way.

“ *A Special Girl*

*She was so very, very special
And was so from the start
You held her in your arms
But mainly in your heart
And like a single drop of rain
That on still waters fall,
Her life did ripples make
And touched the lives of all.
She's gone to play with angels
In heaven up above
So keep your special memories
And treasure. them with love
Although your darling daughter
Was with you just a while
She'll live on in your heart
With a sweet remembered smile*
