“ Dear Nana And Papa,
I can't thank you enough for all the help you have given me and my mom and the rest of the family you have put yourselves into debt to help us out and words can't explain what that means to us. And the funeral was so wonderful mama would have been proud. I think that out of everyone in the family yall will miss her the most because she was your one and only child, I am sorry there was nothing I could do to help with the cost for the funeral, if yall need any help with anything let me know and I'll do my best to get it done.

love your oldest grandson,
William Robertson
