“ *When I think of Kitty I think of her smile, her spontaneous laughter, and her very friendly disposition. She had a wonderful sense of humor. She will be missed. Our prayers are with all of her family. Love, Kathryn and George*

“ *Kitty was like the rock of Gibraltar--not in its hardness but in its stability. Sardis could be a challenging society for teenagers, and Kitty was always a dependable cushion to cheer you up or help you out of teenage doldrums. And I cherish the memories of riding around in the green and white Chevrolet--when Max didn't have it. She was dealt heavy challenges in her life and she met them with the help of her Lord.*
