“ To the family I am so sorry for your loss. Kayla was a friend of myself and this school group of ours in the 8th grade. Though I didnt keep in touch with her after that year I remember that year of middle school fondly. She and Loren Thomas even came over to my house a few times to swim, especially on the last night I was to see my grandfather at home before he was placed in hospice for cancer after having a massive stroke. Kayla was there for me that night and she will be missed by many. I hope she rests in peace and your memories are happy ones of her. Thank you for her service to our nation. That in itself is a prideful sacrifice she gave.

“ Oh goodness...my heart is so sad for you.

We knew Kayla when my daughter Donyelle came home from a day during 8th grade and says, "Mom - I think 8th grade is going to be the best ever, I just met a new friend today and her name is Kayla Murray"

They spent so much time together at our house and at hers... they went to the mall and took fun photos together and did all those things that teenage girls do...

They lost touch during that first year of high school when different interests took them in different directions but I will never forget the sweet little girl who called me "Mom" whenever she was around.

I am so sorry for your loss Bob and also to the rest of her family but especially to her little girl who wont know the sweet Kayla that we were able to experience.

Please know that you are in our prayers

“ *Prayer for Those Who Suffer*
For those who suffer,
and those who cry this night,
give them repose, Lord;
a pause in their burdens.
Let there be minutes
where they experience peace,
not of man
but of angels.
Love them, Lord,
when others cannot.
Hold them, Lord,
when we fail with human arms.
Hear their prayers
and give them the ability to hear You back
in whatever language they best understand.

“ Sweet Kayla,
If only I'd known the scope of your struggles... you were my second daughter and I was sometimes as rough on you as on Jessica, but always the bottom line was and is that I loved/love you both - you will never, ever be forgotten! I love looking at Jalyn for the sweetheart that she is and because it is like seeing you again.
Love & missing you,

“ Kayla,
From the first day we met on the bus in junior high I knew that you were an amazing person and that you would really go far with your life. Its so shocking when such a great life gets cut short. God has given you angel wings now and you can soar in heaven where you belong. Even though you are no longer here every one can feel your presence. May God be with your family at this time in their lives and May your daughter always remember how great you were and how much you loved her.

It feels like it was just months ago that we graduated basic training together. I'm sure I speak for many others when I say that you were a great motivation to all of us during that time. You were always one of the strongest and never failed to be around and help us through our problems regardless of what you were going through yourself. My heart goes out to your beautiful daughter and the rest of your family as well. You will be deeply missed!!
