“ I last spoke to Keitha at the store this past summer. I had not seen her for a while and I wasn't sure if she would remember me, but she did. She greeted me with a smile. After a little small talk between the two of us she casually mentioned that Darren was now the preacher at Living Waters and she invited me to come back to visit. It had been years since I last went to Living Waters and I ALWAYS enjoyed the service and the kind hearted people there. Keitha always had a loving spirit and her smile was so genuine. Her eyes smiled. She was a beautiful person in and out. May God continue to bless the Living Waters Church and everyone there. I am blessed to have known her and I know she is in heaven.

“ Keitha -
Your time was short with us but it was rich and left an impact on so many people -- so many young people you affected in your work at the school. There is a very tight network here, so many hands and hearts, spirits and friends, who will be there to help your family cope now that you're Home with Jesus. Your children will always be safe and be loved.

“ Keitha's beautiful smile will never be forgotton. She had way of making "invisible people" feel important. My children, who attended Living Waters Christian school still speak of her compassion, warmth and love. She even treated my child's ant bites as if they were "a major" incident. Our love and prayers will always be for her babies and all her loved ones.

“ Keitha was a gift. She had a beautiful spirit and a generous heart. The love of the Lord flowed through her and ministered to anyone whom she encountered. Her smile would light up the room. Her gift lives on in the hearts of those who were priveleged to know her. In her short time here on earth, she made a tremendous difference in many lives and those lives are better for it. I rejoice in knowing that she is dancing with her Mom before the throne of God praising Him forevermore.

“ I remember watching Keitha toddle under her Mother's feet on many occasions when in the early 1970's I attended Christian services at the Frank's home each weekend. Then I watched her as she became a young woman with her own children; she no longer toddled but she followed in her Mother's footsteps then as well. It was a rarity to see Keitha far from her Mother's presence. And now, she has followed her Mother's footsteps even in death. To Keitha's children / Betty Jo's grandchildren, please know that they are now safe and in each other's presence in the presence of our Loving Savior.

You were so nice and always put other people in front of you. I loved your smile! It was your best feature even though you were missing teeth back then.
