“ Oh my sweet Kelley..May God hold you forever..That smile that would light up a room, that laugh that always made a bad day better, and that oh so caring heart you always gave unto others. It seems crazy we ran around and played as young kiddos. We met later online and between talks with your grandmother we realized that your grandparents owned a tire shop in Mt. P the same time mine owned a service station. We laughed for many hours, sometimes until the sun came up. We talked about so much of life, love, and family. You worshiped the ground your family walked on and I pray and will continued to pray my most sincere thoughts and prayers to each of them as they learn to live without your physical presence. May God hold each of them close.  
Fly High Sweet sister  
I love you
