“ Kelly and I use to travel together for work. Every trip was a new experience. I have never laughed so hard or as much in my life as I did on these trips. She was so sweet to share a room with me even though she could have had her own room. She knew that I hated staying alone. We had fun staying in the same room because we were like two teenagers eating candy half the night and laughing our butts off. Thanks for all the laughs and keeping me from being scared. Enjoy your wings. RIP dear friend. ❤️ Love Michele
