“ It has been 7 years since Ken's passing and yet I only today learned of it. Ken and Betty were dear friends for a number of years in Pasadena, Texas (they belonged to the church I pastored 1990's). During those years they blessed us with their kindness, thoughtfulness and generosity. We lost touch with them not long after they moved to the lake. I just thank God for making them both a part of our life. He was kind and gentle a man as I have known

“ Ken will be greatly missed. He and my Aunt Betty were two peas in a pod. They both had a wonderful sense of humor and always had a joke to share. Whenever I make a pumpkin pie I always think fondly of Ken. He was such a kind person and always made us feel welcome whenever we called or came for a visit. Our thoughts and prayers are with his family at this sad time. May your memories of Ken bring you comfort.
