“ *Sally and family: We are so sorry to hear of your loss. We do not take the paper and we were not aware that he had passed until we got call from one of his customers that tried to contact him. We were friends as well as customers of Ken. We will certainly miss him! We saw him last at lunch about 3 weeks ago and he seemed fine. Brings the stark reality of life that you never know when the last time you see someone. We live right down the road from you on the corner of Simms and Finney Vallet. “ I met Ken many years ago through my late father, Francis Racz. Dad was an electrician around town and would work with Ken from time to time. I am sorry that I have only seen Ken about once every six months or so here in the last few years. I will miss his "Hey Donny" when our paths did cross. I am very saddened of hearing of his passing. I am sorry that I missed his service..I just found out this morningWed.God Bless.

“ Sally, Savannah, Tyler, and family,

We can't begin to tell you how much we will miss Kenneth and how deeply his passing has touched us. We have known and respected him as a devoted husband, a loving father, and as an honest hard working businessman. We have talked with so many who knew him, and realize that he made each of us feel as if we were his number one friend and customer. He touched so many lives and showed us what a wonderful man he was and how much he gave of himself to everyone. Our thoughts and prayers are with all of you.

“ Sally, our prayers are with you and the kids. We'll see you soon. If there is anything we can do to take some burdens off of you, let us know. Even though they didn't get to see him often, "papaw" was beloved by his grandkids, and they will miss him terribly, as we all will.

“ Dear Sally, Tyler, Savannah and family.
We were shocked to learn Ken passed away suddenly. We are very sorry for your loss. Ken was such a gentleman. We remember him from all those years at Holy Rosary Catholic School when he would drop Savannah at school, bring her backpack from the truck and wish her a good day at school. My wife always said Ken was the most loving parent she ever saw. The occasional times we shared together were always wonderful because he was very down to earth, sincere, unpretentious, and with great Christian family values. It would always be an event for us to see him driving in his truck. We would say there goes Ken Guthrie doing his job, which by the way he did with great professionalism and often without charging! We will never forget him. We are praying for you and Ken. He is with our Lord now and I am positive will be watching over you.

“ Sallie, Savannah, Tyler and family, my heart goes out to you today. You have lost a loved one and I have lost my best buddy. Ken was dear to my heart and truly was a good friend. We talked almost daily and he would always tell me he worked so hard for his family. I know he loved his kids dearly because they were always on his mind and in conversations. I know he was proud of his wife for being so strong and able to put up with him. He often talked of his oldest son and of his brothers. Ken was a hunter and a gentleman and would always give all he had. If I needed the shirt off of his back he would have said hang on son, I bring it to you. I will miss him a lot as well as others.
