“ Hi Neighbor,
That is what Ken said everytime we saw him. He was a true Gentleman and a person that will always be remembered. We were neighbors for over thirty years, Cotton circle will never be the same without him. We had a lot of long talks and he was always in the yard. To Billie and all of his family you are in our prayers and Ken will never walk alone where he is now. we were blessed to have him here with us for 77 years and he is home now. Billie you and Ken were the perfect couple. Believe in you heart that he is still with you in heart and spirit, and you will be together again. God bless you and your family.

“ Dear Jill & Family,
My deepest condolences for the loss of your father. Jill always talks about her dad, so I know how much she loved him and will miss him. He is up there looking down on you, so just know you can always talk to him even though he may not be sitting across from you or on the other end of the phone. Your memories will sustain you. My thoughts and prayers are with you during this difficult time.

“ I find my heart very sadden by the lost of Mr. Ken. Truth be told,if it wasn't for Mr. Ken hiring me at Coastal. I wouldn't have been introduced to my beautiful wife & have 2 beautiful daughters. He was a joy to work for and was a walking book of industry knowledge. The sad thing is they don't make them like him anymore. He loved his family and he loved his job. I spent many of hours listening to him talk of how it use to be in the good old days with him being part of what I called the rat pack Mr. White, Mr.Arnold and Mr.Wilkerson. He would say Sonnier you should have been here;we would do...and he would go on and educate me on how they would have done it and saved the company money doing it. Due to his undying support to his staff, we were always striving to make him proud. You will be missed and know you have touched many people. God Bless you and your family. The Sonnier Family

“ Ken, I woke up to Scott's email yesterday morning and cried like a baby. What a wonderful, generous man you were. You were the southern gentleman that everyone loved. I will never forget your wonderful laugh and all of your jokes. Most of all I will never forget that you gave me my first job at Coastal. It was so wonderful that you kept in touch with me through the years. I am so glad I talked with you recently. I loved working for you. Will never forget the many funny things that happened. I still see you behind that desk with your boots up on the desk talking on the phone! My heart goes out to Billie, Scott, Jill and all of your family. They have lost a true treasure. I will never forget you.

“ *Kenneth was a wonderful cousin who was loved by all. Kenneth could add so much color to any conversation whether over a cup of coffee or just a chat over the phone. He could make a person feel good even when he had to be feeling bad - never complaining, just giving. Debbie & I will miss seeing and talking with him at the Jimerson reunions. Billie, our prayers and thoughts are with you and your family. Margaret, we're also sending our thoughts and prayers to you. We know he was a great big loving brother to you.*
