“ Kennon was one of the precious and valuable operators at Tenaris. He and I worked closely together to achieve a successful start of the hot rolling mill. He was such a kind man that he constantly offered help to the others at the work and that he asked so many questions about the team at Tenaris even during his difficult time at the hospital. He was the only operator who performed exercise before starting to work to avoid the accidents nor injuries at work.

We got along both inside and outside of work. He invited me and my family, Yukiko and Daiki, to his birthday party and to dinners and we laughed a lot together. Kennon's lap was my son's favorite spot to sit on and from there he often played with Kennon's beard, pulling and twisting etc.

I, personally, feel this huge loss, I know that he will be in our hearts. Kennon will be missed by all in the hot rolling team at Tenaris, and by my family, as well.

“ Kennon and I worked together at Tenaris. We worked together during the commissioning phase so we spent many hours of many days there. We are the same age and we're older than the rest of the guys so we had more in common. We both spent time in the Middle East and had a lot to talk about in our downtime there. He was always kind to everyone and was always willing to lend a hand when there was work to be done. All of us in the Hot Rolling mill miss him very much, his attitude was always good and his smile was contagious.

“ It goes without saying Kennon was one of the kindest gentle souls, I have every been blessed to have in my life and the life of my boys. He was a constant provider from working at the family business, driving a school bus, delivering pizza, driving a water tanker as a civilian in Iraq in an active war zone. While in Iraq he took a vacation to the Philippines and met the love of his life Marygrace. He was an avid Astros, Texans and University of Texas football fan. If I know Kennon he has already put a word in with God for the Texans to go all the way this year. As his disease progressed he still managed to smile and ask about the welfare of others. I witnessed unwavering strength Love and Faith from Grace, Carl, Vonda and too many to mention. I find peace knowing there is another earthly Angel in heaven protecting all of us along with his beloved Memaw and Paw Paw Holmes. Love Aunt Ginny

“ *Proverbs 19:17*

When you give to the poor, it is like lending to the Lord, and the Lord will pay you back.

Kennon received the Lord's reward and we should rejoice! Prayers for Kennon's entire earthly family. May peace come to all of you.

“ Kennon was one of the kindest men I have ever known. He was a polite person who treated others with dignity and respect. I will miss his sweet disposition and love for other people.

I am heartbroken over his death. His sweet wife Grace was an inspiration to all who witnessed her unwavering love and devotion. I know she is devastated over the loss of her husband, but Kennon is now with God. Grace's love and affection for Kennon stand as an example for us all to follow.

I am so sad for Carl and Vonda over the loss of their son. I cannot imagine how this hurts. I hope that time and good memories will assuage that grief.

My sincere love and prayers to all those that battle cancer and the doctors that treat them.
