“ *My niece was all 'Smiles' and full of life. Spent a nite once and we stayed up rather late, laughing and talking. She loved the zoo and couldn't wait to meet to man she would love, get married, have kids and take them to the zoo! She had an amazing mom, grandpa, grandma and step-dad who she loved so much. I hope she's at a heavenly zoo feeding the giraffes. Your boys will hear amazing stories and surrounded with photos of how amazing and grateful to God that 'You will always be in their hearts'. Love Always, Aunt Becky*

“ *Kimi and I met at WCJC (Wharton County Jr College) and immediately became best friends. We bonded over hatred for 8am classes and many many times came up with the most ridiculous stories to get out of our 8am exercise class (which we almost failed because of that)! Oops! Once a week we would go to our favorite fast food restaurants and pick one thing from each menu and then bring it back to the dorm to eat while watching a movie. I remember sleepovers at her house would ALWAYS include Los Cucos green sauce and queso. Every. Single. Time. Even though we lost touch throughout the years, that won't change all of the great times we shared and memories that I will never forget. Praying for Kimi's family especially her husband and 2 boys. Big hugs! Love y'all!*

“ *We didn't get to see Kimi much the last few years. She grew up into an awesome woman, wife, and mother. My memory will always be that sweet little girl that showed so much love to our grandkids when they were babies. She made a point to come over and 'play' with them, which brightened their lives so much. We are so sorry for your loss, and for the loss of everyone that loved her.*
