“ My son , I'm missing you so much words can never explain what I feel everyday without you here. You were and always will be an inspiration to me. As the day draws closer that you left us the pain becomes more unbearable. I look around and wonder why this had to happen , I'm lost without you, I miss you so much son. All I can do know is pray that one day I will see you again , that laugh , that smile I will forever miss and will forever cherish in my heart.....I love you son.....

“ *I had so many memories with you Kristian. And i don't have a favorite because i loved them all. One memory is when you made me go on the roller coaster The Bullet in kemah. He told me not to be scared because your big brother is here. we went on the ride and I had a blast. It always made me mad when he was right which was all the time. Kristian i miss you and i love you. Just wish you were here to protect me in person.*
